

Cottage Information.

Septic tank - The cottage water system runs through a septic tank, please do not put any sanitary products or wipes down the toilet, Thank you.

Cleanliness - We endeavour to clean this cottage to a very high standard, we ask that you take care to treat the cottage & its furniture with respect & inform us immediately if you are dissatisfied or experience any breakages. During the pandemic, extra cleaning time has been given, we mist all soft furnishings with anti-bacterial spray, use bleach products on all surfaces. We also pay particular attention to remotes, key safe and handles.

Bins / Recycling - The main bins are located to the right of the car park as you enter. Please empty your rubbish into the relevant wheelie bins, during your stay and on departure.

Noise - Please be respectful of the other cottages on the site & their guests. Please keep noise to a minimum, particularly on an evening.

Spares - you will find spare toilet roll, batteries & lightbulbs in the bathroom cupboard.

Outdoor area - The outdoor area is a communal space for the guests of all the holiday cottages on Lambert hill. There is an outdoor table & chair set stored under the bed for your private use, please return this to the cottage when not being used. All other outdoor picnic benches are for shared communal use, so if you prefer to use these and they are vacant, then please feel free.

Pets - Unfortunately, we do not allow pets in any of the cottages on Lambert hill.

Smoking - Smoking is prohibited throughout the whole cottage, please respect this.

Extra Visitors - Extra visitors are welcome in the cottage, although noise must be kept to a minimum. Should any extra guests stay on the sofa bed, please inform us on our contact number so we can ensure that the bedding can be turned around in time for our next booking.

Parking - Please leave your vehicle in the car park area provided on entry.

Sofa Bed - The bedding set for the sofa bed is kept in the bottom of the wardrobe in the bedroom. Please leave this out on departure, if used, so we can ensure it is taken away to be laundered.

Travel Cot - There is a travel cot located under the bed in the bedroom. You will need to provide all your own cot bedding for this.
